

Oh in the night
You talk to me
I look in your eyes
And It's like a dream
You tell me
you love me
While you sing
Or is it you talking
In your sleep

I know the the stars
we're shining bright
The moment
came in to my life

You keep me so
warm these
Hazy nights
Oh you are the one
For me

Angelic Girl
Ooh oh
Ill give the moon and the stars
Don't give me space
So don't be going too far from me
There's so many things that I want to say
To you

Angelic Girl
Ooh oh
Ill be the sun
when you need me
Ill be there
So don't be going too far(no way)
I'd give you the world
But that ain't fair
For me and you

You know we don't
have to fall in love

We don't have to
put a name on us

We're breaking the walls
to build that trust
Oh we like the company

Company

And if we don't
make it in the end
I guarantee that we don't
have to make those
certain amends

I know that we'll
make it still as friends
Oh you are the one
Oh my Angelic Girl

Ooh oh

I'll give the moon and the stars
Don't give me space
So don't be going
too far from me
There's so many things
I want to say
To you
Angelic Girl

Ooh oh

I'll be the sun
when you need me
I'll be there
So don't be going too far (no way)
I'd give you the world
But that ain't fair
For me
